UCL GREAT ORMOND STREET INSTITUTE OF CHILD HEALTH

PAEDIATRIC DYSPHAGIA VIDEOFLUOROSCOPY SWALLOW STUDY COURSE

Institute of Child Health, London. Tuesday 23rd May 2017

Who Should Attend?

This course is aimed at dysphagia-trained speech and language therapists who are interested in consolidating skills in analysis and interpretation of paediatric videofluoroscopy swallow studies.

Structure of Course:

The day will consist of an introductory presentation to take delegates through the analysis form which will then be used in themed workshops led by GOSH SLTs.

It is anticipated that delegates attending the day will have had some previous experience and/or training in analysing studies.
